Montgomery County, in partnership with ADAMHS, opened a Family Assistance Center (FAC) on Wednesday, June 5, 2019. It is located at 1500 Shiloh Springs Rd in Dayton (the Church of Jesus Christ of Latter-day Saints) with the following hours of operation:

Monday, Tuesday, Thursday, Friday, and Saturday 10 a.m. to 8 p.m.

Wednesday 10 a.m. to 6 p.m.

The Family Assistance Center will initially operate for four weeks.

The center will offer access to one-on-one intervention services to assist with trauma and mental health needs for those individuals affected by the tornadoes. Trained specialists will help to identify needs and make referrals to appropriate services.

Additionally, the Center will serve as a "one-stop" location where individuals can obtain provisional IDs, apply for Job & Family Services benefits, obtain replacement cards for Medicaid/Medicare and receive information regarding senior services, housing and transportation services. Public Health - Dayton & Montgomery County will provide free birth certificates, baby cribs and Hepatitis A vaccines. Additional services will be added as needed.

Between June 6-11, a free RTA shuttle will run every half hour from 1-8 p.m. between the Family Assistance Center and the Salvation Army's Dayton Kroc Center, where people can apply for services, if eligible, from St. Vincent DePaul, Good Neighbor House, and obtain Salvation Army emergency vouchers for clothing and other household goods.

The resource center at the Dayton Kroc Center is located at 1000 N. Keowee St. in Dayton. The hours of operation will be:

Thursday, June 6 through Saturday June 8 from 1-8 p.m.

Closed on Sunday, June 9

Monday, June 10 and Tuesday, June 11 from 1-8 p.m.

Call the Kroc Center for more details at (937) 528-5100.
