

Can You Take the Heat?

This class is designed for young women, ages 15 and older, to explore the non-traditional career of firefighting.

It's a physically active class that will be held rain or shine. It's designed to get you out of your comfort zone and build confidence.

- Learn what firefighters do every day!
- Explore the challenges of the profession
- Utilize firefighting tools
- Advance hoselines
- Perform search and rescue operations
- Climb ladders
- Wear firefighting gear

Questions?
