

EMS Symposium

Special Guests: Dr. Tracey Dechert and Dr. Katherine Theresa Platoni

Friday, September 27 • 7:30 a.m.-4 p.m.

Presidential Banquet Center

4548 Presidential Way • Kettering, OH 45429

Please join us for this free event to learn from our experts about PTSD and how we can better prepare for an unthinkable mass casualty incident.

In addition to these keynote speakers, Kettering Health Network medical staff will provide education for emergency responders.

Tracey Dechert, MD

Attending Surgeon, Section of Acute Care & Trauma Surgery, Boston Medical Center

Dr. Dechert is an associate professor of surgery in trauma & critical care at Boston University School of Medicine. She will be speaking about her experience as a trauma surgeon working the day of the Boston Marathon bombing at Boston Medical Center.

Katherine Theresa Platoni, PsyD, DAIPM, FAIS

Clinical Psychologist

Colonel, Retired, US Army

Colonel, Ohio Military Reserve/State Defense Forces

Dr. Platoni has served our nation as an expert in PTSD and war trauma for more than 38 years. She is a practicing clinical psychologist who will be speaking about PTSD and first responder mental health.

Breakfast and lunch will be provided.

Receive 7 free CE credits.
