Distribution of COVID-19 cases continent (except China), as of 23 March 2020 (according to the applied cases definition in the countries)

① Distribution of cases of COVID-19 by continent (according to the applied case definitions and testing strategies in the affected countries)

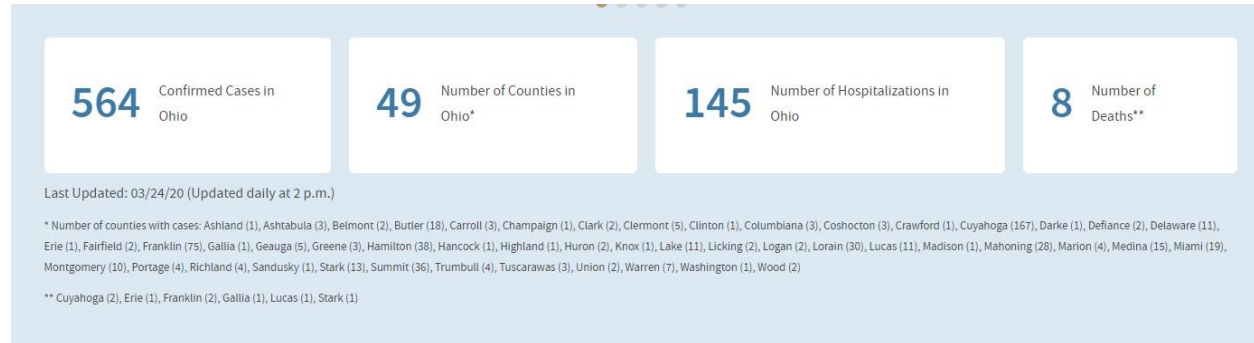

COVID-19 Situation Report

Coronavirus

Ohio Department of Health Update:

Current Objectives:

1. Limit the spread of disease within Montgomery County.
2. Continue to monitor the situation in conjunction with the Ohio Department of Health and the Centers for Disease Control and Prevention.
3. Continue information sharing with partners.
4. Continue to provide information to the media and the public through interviews, social media and our website.

Long-term Planning Considerations:

Continued monitoring and maintaining surveillance locally.

Epidemiology Syndromic Surveillance Summary:

Below are links to both the CDC and WHO regarding the latest information.
