

Avoiding “the Darkest Winter in Modern History” Actions to Consider Now

September 10, 2020, 10:00am to 3:00pmEST

The Eastern Great Lakes Pediatric Consortium for Disaster Response (EGLPCDR) invites you to participate in a virtual Table Top Exercise (TTX) designed to identify, develop and coordinate an effective regional response to pediatric disaster and surge.

Who should participate:

Hospital Staff, Management, & Emergency Preparedness Personnel
State Staff, Management, & Emergency Preparedness Personnel
Healthcare Coalitions
Local Public Health
Emergency Medical Services
Emergency Management

Exercise topics will include:

COVID-19 Response
Multi-Inflammatory Syndrome in Children (MIS-C) Information
Back to School Concerns
Winter Virus Season Planning
Pediatric Surge Plan Review

This will be a virtual exercise with functional components.
For exercise details, visit the exercise webpage at [Darkest Winter](#).
For **Registration**, visit [Individual](#) or [Organization](#) registration.
CME and EMS credits will be offered.

For questions, contact the Exercise Planning Team at DarkestWinter@umich.edu
