TLP: GREEN Phishing Email Spreading Through Ohio

Scope. A phishing email has been circulating throughout Ohio and has been targeting multiple agencies.

Multiple agencies throughout Ohio have been receiving phishing emails suggesting there is an encrypted message that has been received by the victim.

Ohio agencies have observed an active phishing campaign. Through compromised accounts, a phishing email appears to be sent to other agencies within the contact list. The phishing email suggests there is an encrypted message that has been received. Once clicking on "View Encrypted Email," the victim would be redirected. At this time, it appears the link is inactive, however, it is still recommended to **not** click on the link.

Encrypted Message Received:

City Of

You have received an encrypted email from:

[VIEW ENCRYPTED EMAIL](#)

If you or someone you know has received this or a similar email, please contact SAICCyber@dps.ohio.gov or call (614) 387-1089

TLP: GREEN - Sources may use **TLP: GREEN** when information is useful to increase awareness within their wider community.

Document was shared with Business Evernote Encryptions, click on attachment (**message.html**) above to download and authenticate to access securely.
