CareFlight Dispatch Phone Line Outage Important Information

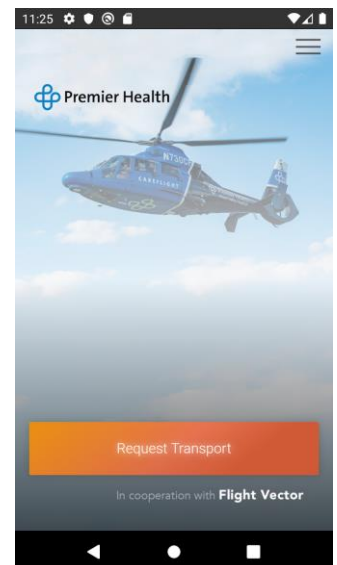

Timeframe of Impact

Date: Saturday, March 1st

Time: 2000hrs-2100hrs

Due to mandatory equipment upgrades, phone lines may experience intermittent outages at CareFlight Dispatch Center.

- Please **continue to utilize normal phone communication methods**. However, be aware that you may not be able to reach the CareFlight Communication Center for a short time using normal phone numbers.
- If phone communication is **unavailable**, utilize the emergency bypass line 937-723-7520 or use **CareFlight Premier Health Mobile App** to request a CareFlight Air & Mobile response.
- We ask that you familiarize yourself with the CareFlight Mobile App beforehand.
