

2025 REGIONAL EMS EDUCATION SYMPOSIUM

Featuring Keynote Speaker:

Richard Kamin, MD, FACEP, FEMS

****Sponsored by the Mercy Health Foundation****

Dr. Richard Kamin is a nationally recognized expert in EMS leadership, tactical medical response, and trauma-informed care. His direct involvement at Sandy Hook catalyzed his commitment to integrating EMDR therapy into responder wellness protocols, trauma intervention, and critical event recovery. His multifaceted career bridges frontline emergency work, medical education, policy leadership, and trauma recovery advocacy.

Join us for a **FREE** 1-day EMS Educational Symposium
and **6 hours** of EMS CE Credits
