

1st Annual Kris Nadaud Sand Volleyball Tournament and Raffle - From the dirt to the sand!

Break out those board shorts and tank tops - we have moved to the sand!

We are hosting the 1st Annual Nadaud Sand Volleyball Fundraiser tournament for charity. Same great competition, same great atmosphere -just in the sand.

Tournament will be held rain or shine.

There are 7 amazing outdoor sand courts under the sun to help work on those tan lines, and if mother nature doesn't feel like cooperating, there are 5 incredible indoor sand courts.

The tournament will be broken into two divisions - coed quads (4 vs 4) and coed 6s (6 vs 6) and is BYOT (bring your own team). Bring your spouses, friends, co-workers - you name it!

You may be wondering what else there is besides volleyball, and you're in luck. There will be raffle baskets, a split the pot, door prizes and the winner of the 1st annual charity gun raffle will be drawn during the tournament. Please contact us letting us know you are in and include your team name and the list of players so we can get a tally. A list will be compiled for all to see.

We hope to see the list continue to grow with teams. Let's make the PARTY in the sand as great as it was in the dirt, if not better.
