

MISSION: LIFELINE® EMS

A Case Study in Mission: Lifeline Participation

Terri King
Division Commander Clinical Practice

Danny Johns
Captain Clinical Practice

Thursday, November 16, 2017
1:00pm - 2:00pm EST
Advance Registration Required

Join us for our upcoming webinar, “A Case Study in Mission: Lifeline Participation”. Presenters Terri King and Danny Johns will discuss how their agency, Williamson County EMS (Georgetown, Texas), utilized data collection and analysis to drive decision-making and foster a culture of quality that ultimately resulted in their achieving Mission: Lifeline EMS recognition.

The webinar will also include a review of the 2018 Mission: Lifeline EMS recognition data collection tool.
