

MIAMI VALLEY HOSPITAL TRAUMA BAY RENOVATION

Renovations for a new
state-of-the-art trauma
resuscitation area will begin
January 11th

Trauma Bay 1 and 2
will be under construction;
anticipated completion date is
late March.

Resuscitation rooms 5 and 6
will be used as the primary
trauma bays during the
renovation.

Directions to Rooms 5 & 6: Enter through the EMS
doors, immediate right, first two rooms on the right.
