

Location: University Hospital East, Wallace Auditorium, 181 Taylor Avenue, Columbus, OH 43203

Meeting Objectives:

1. Understand the highlights of the new Ischemic Stroke Guidelines and International Stroke Conference updates.
2. To be able to discuss caregiver readiness and how to apply it to stroke patient education.
3. Learn about AHA Systematic Review of The Effect of Dysphagia Screening Strategies on Clinical Outcomes After Stroke.
4. Describe methods of pre-hospital severity scoring.
5. Understand how to develop and use EMS stroke protocols.
6. Explain the community paramedicine program and how to utilize it for stroke care improvements.
