

# you're invited

## celebrate 2018 EMS Week with a fishing derby!

To celebrate the hard work and dedication you bring to the job every day, Dayton Children's now invites you to bring your tackle and relax along the shores of our pond. Fish from sunrise to sunset throughout EMS week - May 20-26.

Because we know there is nothing better about fishing than bragging rights, we also invite you to weigh your catch on a scale in the EMS room inside Dayton Children's south campus. [Send us the weight and a photo](#), and we'll put you in the running for the biggest catch contest. Awards for:

- Biggest catch overall
- Biggest Bass - first, second and third

### important notes:

Pond is located behind the emergency department at the Dayton Children's south campus.

Please only park in designated parking spaces and do not block the ambulance entrance.

Snacks and check-in located in the EMS room just inside the building.

### questions?

Mike Schibler, EMS coordinator
