First Responder Contingencies

Severe Weather

Thunder Storm / Tornado

Decisions on weather related issues will be made in conjunction with IC, ABW/CC, and Museum Operations

Aircraft will depart the Air Field in Area B if inclement weather is forecasted in the Area

- **45 minute notification must be given to fire department**

AF museum will utilize the Public address system informing patrons to seek shelter

All information will be transmitted over the Event C3 app

Missing Child / Adult

Child / Adult will be asked personnel identification information by an on duty SFS member.

The Af Museum will transmit the information over the public address system

All SFS will conduct a sweep of the event site until the child / adult is found

All information will be transmitted over the Event C3 app

All out bound gates will be closed

Unattended Item / Suspicious Package

SFS/Fire will determine whether package is unattended or suspicious

If deemed suspicious a 50 ft. cordon will be established and EOD will be contacted

All information will be transmitted over the Event C3 app

IED Explosion / Mass Casualty

SFS will secure the scene

IC will establish Cordon

Evacuate non-essential personnel and establish a casualty collection point

IC will notify and request the proper outside agency support

All information will be transmitted over the Event C3 app

Active Shooter / Car through crowd

SFS will neutralize the threat

SFS on coming forces will establish an inner / outer perimeter to ensure isolation

All information will be transmitted over the Event C3 app

Treat all wounded and move to appropriate hospital

**ALL DECISIONS ON CLOSING OR CANCELLATION OF THE EVENT WILL BE IN
COORDINATION WITH THE INCIDENT COMMANDER, 88 ABW/ CC AND MUSEUM
OPERATIONS STAFF**
