

The GMVEMSC Website & App Committee is excited to announce the release of the new protocol app!

BRAND New App That Will Need To Be Re-Downloaded From Your App Store

1. Go to App Store On Your Phone
2. Search: "GMVEMSC Field App"
3. Free Download
4. Enjoy!

Here Are Some Of The New Features On The App:

- Sleek & Modern Design That Is User Friendly
- Easy To Call Emergency Departments From The Main Screen
- Photos Of Drug Bag And Compartments
- Latest Up-To-Date Drug Shortages
- GPS Distance To Emergency Department With Turn-By-Turn Navigation
- Easy Ways To Contact EMS Coordinators
- Stay Up-To-Date With Council News
- Stay Involved With Easy Access To Council Calendar
- Be Heard! Easy to See Who the County Rep Is For Your Area
- Want Change?! Have an Idea for Protocol or Council? Recommend Your Ideas by Emailing the Committee within the App
- GMVEMSC Push Notifications/Alerts
- Ability To Bookmark Protocol Sections For Easy Reference
- "Search" Feature Within Protocol
- Take Your Own Notes Within The App

We do have a few things we are still working on to make the user experience better, such as the text size within some of the screens. Please be patient as we work on fixing some details.

We hope you enjoy the App!
