

GERMANTOWN FIRE – EMS

75 North Walnut Street Germantown, OH 45327

937-855-7255

HIRING FOR PART-TIME FIREFIGHTER/ EMS POSITIONS

Germantown Fire-EMS is seeking qualified, experienced, caring and committed Fire / EMS personnel to fill part-time positions. Germantown Fire-EMS provides quality fire and EMS service to the City of Germantown and German Township, covering a 38 square mile area in the southwest portion of Montgomery County to a population of about 9,000 citizens, responding to about 1,100 calls for service annually. State Routes 725, 4 & 123 run through our district, which is mostly rural township with the historic 1804 city located within. Germantown is a short 25 minute drive south from downtown Dayton, 15 minutes west of Miamisburg and 15 minutes north from Middletown.

Part-time staff will handle a variety of duties to include emergency medical response, fire suppression, safety and prevention, inspections, building and equipment maintenance, training, and other duties related to Fire-EMS services. With growth in the City and Township we have upgraded into a brand new Fire-EMS Station with beautiful kitchen/living space, five new bunkrooms along with 4 pull through apparatus bays, training room, fitness room, etc.

Working in a larger community doesn't always give you the opportunity to gain immediate hands on experience like you will have here at Germantown Fire-EMS. With smaller crews and decent run volume, you will have plenty of opportunity to use your learned skills!

FFI / EMT = \$16.00

FFI / EMTA = \$17.00

FFI / EMTP = \$18.00

Holiday pay for 6 holidays.

12 or 24 hour shifts may be available.

Effective June 1, 2022

If your passion is to help a community in need of your services-look no further than Germantown. You can make an impact -- doing what you love to do -- with Germantown Fire-EMS.

Competitive wages, great experiences and a brand new Fire-EMS Station!
