

# JOIN OUR TEAM

The FBI Technical Hazards Response Unit is looking for a  
**Forensic Operations Specialist**

Forensic Operations Specialists provide health and safety, evidence access, and logistical support necessary to collect evidence in a variety of unsafe environments. This includes crime scenes involving hazardous materials, treacherous or physically inaccessible locations, confined spaces, and underwater operations.

## **EXPERIENCE NEEDED:**

- National Registry  
Emergency Medical  
Technician – Paramedic
- Hazardous Materials  
Technician and/or  
Rescue Technician  
(Rope, Trench, Confined  
Space)

Certifications will be reviewed by a hiring manager.

Salary is dependent upon experience. Initial hiring range is GS-11/12 with potential promotion to GS-13.

## **CANDIDATE REQUIREMENTS:**

- Must be a U.S. Citizen
- Must be able to obtain a Top Secret Clearance with access to Sensitive Compartmented Information
- Must live within 50 miles of Fredericksburg, VA
- Must be willing to be on call 60% of the time and travel frequently (often more than two weeks per month)
- Must be willing and able to deploy worldwide with little or no notice
- Must successfully undergo:
  - ✓ Personal security interview
  - ✓ Polygraph Examination
  - ✓ Drug urinalysis
  - ✓ FBI medical exam
  - ✓ Fingerprinting
  - ✓ Full-scope background investigation

Interested applicants may forward a current resume to **[LABRECRUITING@FBI.GOV](mailto:LABRECRUITING@FBI.GOV)**

Potential candidates will be contacted by a hiring manager to continue the process
