

# Ohio Resuscitation Academy

**When:** March 7, 2019 *or* March 8, 2019

**Time:** 0800-1700

**Where:** Mercy Health-Fairfield HealthPlex 3050 Mack Rd. Fairfield, OH 45014

A one-day Ohio Resuscitation Academy is being held in the Cincinnati-Dayton area. This is a train-the-trainer course designed for those interested in the science behind resuscitation and the positive effects of high-performance CPR.

The focus of this Resuscitation Academy will include each day:

- Science of Resuscitation
- 10 steps to Improve Survival and Achieve Implementation
- System Assessment
- Implementation in Daily Practice after the RA
- Hot Topics in Resuscitation

Registration is online and is limited to the first 50 participants per each one-day course. Presenters will include Dr. Andy McCoy from King County, Seattle as well as Ohio champions of resuscitation.
