

3rd Annual EMS Symposium

at the *Trauma and Critical Care Update 2019*

Friday, May 17, 2019 • 7 a.m. to 5 p.m.

Conference Description

Premier Health will hold the 3rd Annual EMS Symposium at Trauma and Critical Care Update 2019. The EMS Symposium is designed to provide content for prehospital and hospital emergency providers of all levels. The Trauma and Critical Care Update is designed to provide current information on the challenges health care professionals encounter when caring for the multiply injured patient and the critically ill patient. EMS may choose to attend sessions from both events.

EMS Symposium Topics:

- Evaluation and Management of Head Injury: Pearls for EMS Providers
- Traumatic Cardiac Arrest: A New Hope
- Murder by Laryngoscope: How to Hone Your Deadly Trauma Airway Skills
- EMS Case Studies
- Stroke Mimics
- Help or Hype: The Use of REBOA
- Austin Bombings: EMS System Response and Lessons Learned

EMS Symposium Keynote Speakers
