

Ohio Region III Rescue Strike Team

Rope Rescue Level I Course NO COST!!!

Dates: September 30, October 1, 2, 3 2019

Time: 0800-1700 each day

Location: *Dayton Fire Training Center*

This course is designed so personnel can become familiar with basic rope rescue techniques. The course will consist of material covered in NFPA 1006 Standard for Technical Rescuer, Chapter 6 and the operations level of the NFPA 1670 Standard on Operations and Training for Technical Search and Rescue Incidents. Rigging, critical angle, mechanical advantage systems, repelling, self-rescue techniques, lowering systems and low angle techniques will be presented & practiced

- Priority will go to current team members followed by non-members
- Non-members should submit a copy of their State of Ohio Firefighter I or II certification with the registration form
- Students are responsible for providing their own **Rope** gloves and Safety footwear. Helmets, Harnesses, and other related equipment will be provided to students from the Region 3 cache
- Plan on packing meals for the first 3 days of class. Lunch will be provided on October 3rd
- **Interested persons should complete the registration form, scan and email it no later than September 25, 2019 to:**
