Friday, October 16 • 7:30 a.m.-12:30 p.m.

Please join us for this free event!

Yalaunda Thomas, MD
*Trauma and Critical Care,
Kettering Medical Center*

Dr. Thomas is a highly skilled trauma surgeon with a wide array of clinical experience including work at Ohio State University, the

R Adams Cowley Shock Trauma Center at the University of Maryland Medical Center, and recently Advocate Christ Medical Center outside of Chicago. She is board certified in surgical critical care, neurocritical care, and general surgery. She earned a Doctor of Medicine degree from the Chapel Hill School of Medicine at the University of North Carolina.

Akil Patel, MD
*Neurosurgery,
Kettering Medical Center*

Dr. Patel specializes in cerebrovascular diseases and is dual-trained in complex cerebrovascular neurosurgery and

endovascular neuroradiology. He received his medical degree from the Northeast Ohio Medical University. He completed his residency training at the University of Maryland Medical Center where he received extensive trauma training at the R Adams Cowley Shock Trauma Center and completed an additional enfolded fellowship in endovascular neurosurgery. Dr. Patel then completed an additional fellowship in open cerebrovascular and endovascular (minimally invasive) neurosurgery at the Swedish Neurosciences Institute in Seattle, Washington.

Jeffrey Weinstein, MD
*Network Patient Safety Officer,
Kettering Health Network*

Dr. Weinstein is board certified in both infectious disease and internal medicine. He received a degree in molecular biology from

Princeton University and medical degree from Tufts University. Dr. Weinstein has held many positions related to infectious disease including Attending Physician in Infectious Diseases at New Britain Hospital in Connecticut, Infectious Diseases Specialist for South Dayton Acute Care Consultants, and Chief Quality Officer at Kettering Health Network. Recently Dr. Weinstein has been the lead infectious disease physician for Kettering Health Network during the COVID-19 pandemic.

**Julie Manuel, MEd, LPCC,
LICDC, NCC**
*Clinical Program Manager,
Kettering Behavioral Health*

Julie Manuel is the clinical program manager at Kettering Behavioral Medicine. With more than 15 years of experience, she has worked

in a variety of settings including hospital emergency rooms, domestic violence shelters, public schools, non-profit agencies, court-ordered programs /drug and alcohol residential programs, and inpatient and outpatient psychiatric programs.

Julie specializes in individual therapy as well as assisting in facilitating intensive outpatient program groups. Areas of specialties include crisis intervention, PTSD, mood disorders, depression, anxiety, trauma, grief and bereavement, sexual abuse, career difficulties, and LGBTQ issues.
