

# 2022 FALL EMS CONFERENCE

## NOVEMBER 1<sup>st</sup>, 2022

8:30am – 4:00pm

5181 Northwest Parkway Hilliard, OH 43026

### Tim Phalen

For almost 30 years, Tim's full-time focus has been helping individuals and STEMI systems. 100,000+ Healthcare Providers Trained 2,000+ ECG Workshops & Presentations, 25 Years of Teaching in 12 Countries, 4 Textbooks Authored with 1 Goal... Help You Become more confident in 12-Lead ECG interpretation.

### Sean Clifton

Master Sergeant (MSG) Sean Clifton is a retired US Army Green Beret and Wounded Warrior with over 22 years in the military. MSG Clifton medically retired in the Spring of 2016 after completing multiple tours of combat to Iraq and Afghanistan; his last tour resulting in a near-fatal combat injury. MSG Clifton will share his story of teamwork, survival, and perseverance; as he survived multiple enemy gunshot wounds on the battlefield. His mission now is to train, advise, and support first responders and military personnel worldwide.

### Michael Halloran

Michael is a Senior Assistant City Attorney with Columbus City Attorney Zach Klein's Office. He works within Litigation Section where he defends the city and its employees in various civil actions. Michael is also the legal advisor to the Columbus Division of Fire, and represents the City Attorney's Office on the Columbus Public Records Commission. Michael is a firefighter, paramedic and EMS Instructor, attending Wittenberg University and Capitol University Law School.
