Distance Learning

Topic: **What is OHTrac & SurgeNet?**

Presented by:

Gregory Locher, SurgeNet System Administrator

Lisa Rindler, Vice President of Information Services, GDAHA

David Gerstner, Dayton MMRS/RMRS

Watch Live: **Thursday, December 15th** at 9:30AM

A **live interactive on-line training that will walk you through how to use OHTrac and SurgeNet when working preplanned events, an MCI, or during the Quarterly Treatment Tag Days. You will **need 2 treatment tags** (white or green, not blue) with unique bar code identifiers to use to scan into OHTrac with other attendees. You should also **download the OHTrac App** onto your smartphone or device **PRIOR** to live event. A temporary username/password will be provided.

To **REQUEST ACCESS**, have the current system administrator at your department/facility add you (preferably) or go to https://gdaha.surgnet.org and click on "Request Access".

ONLY if you have **NOT ATTENDED ANY** of our distance learning classes, please register using the link below:
