

Fire Department Response to Carbon Monoxide Emergencies

Presented By:

Chief James Augustine, MD and former Chief Dennis L. Rubin, District of Columbia Fire Department

Virtual Lunch and Learn

Wednesday, February 22, 2023 12:00-1:00 p.m. (EST) Zoom Meeting ID: <u>860 9015 6424</u> Zoom Passcode: <u>037011</u>

Seminar participants will learn to respond, manage and develop an effective fire department response to resolve a wide variety of carbon monoxide emergencies.

Participants will be able to describe the dangers and the precautions to be used at Carbon Monoxide incidents, as well as describe the basic emergency medical care needed for victims of carbon monoxide poisoning.

Class cost: Free <u>Register Here</u>
