

Creating a Cloud CME Account as an External User (not an NCH Employee)

Instructions	Screenshot
<p>Step 1:</p> <p>Click the link to get started: https://nationwidechildrens.cloud-cme.com/</p> <p>Then, click the “sign in” button on the CloudCME page on the NCH website.</p>	 <p>The screenshot shows the homepage of the Nationwide Children's CloudCME website. The browser address bar shows the URL: https://nationwidechildrens.cloud-cme.com/default.aspx. The website header includes the Nationwide Children's logo and the tagline "When your child needs a hospital, everything matters." Below the logo is a blue navigation bar with the following links: Sign In, Browse By Specialty, Home, Live Courses, Online Courses, Grand Rounds/RSS, Accreditation, About IPCE, Contact, and Help. The "Sign In" button is circled in red. Below the navigation bar is a large image of healthcare professionals in a meeting. Below the image is a "Welcome to Nationwide Children's Hospital Education" section with introductory text and links for "Activity Faculty", "Complete Disclosures", and "CE Activity Application".</p>
<p>Step 2:</p> <p>Select the “sign in with email and password” option.</p>	 <p>The screenshot shows the sign-in page of the Nationwide Children's CloudCME website. The browser address bar shows the URL: https://nationwidechildrens.cloud-cme.com/login.aspx. The website header includes the Nationwide Children's logo and the tagline "When your child needs a hospital, everything matters." Below the logo is a blue navigation bar with the following links: Sign In, Browse By Specialty, Home, Live Courses, Online Courses, Grand Rounds/RSS, Accreditation, About IPCE, Contact, and Help. Below the navigation bar is a large image of healthcare professionals in a meeting. Below the image is a "Sign in with your Nationwide Children's Hospital" section with a text box for login information and a "Sign in with Email & Password" button circled in red.</p>

Step 3:

From the screen that populates, select "Create new account."

Step 4:

On the next page, add your primary email address. This can be a personal address or one through your employer, practice, etc.

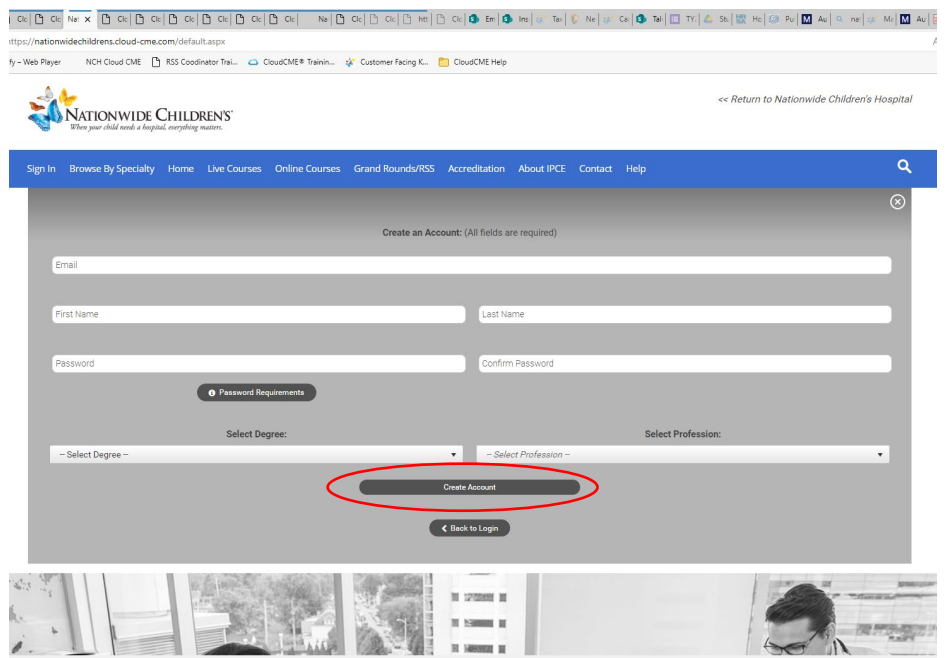

Add the first and last name you'd like associated with your account and pick a password that meets the requirements. Make sure the passwords match.

Select your degree(s) and profession from the dropdown menus.

For degree: select the most advanced degree that relates to your profession.

For profession: select all that apply.

Once all that information is entered, select "create account" and it should direct you to the welcome page. From there, you should be able to view upcoming events and register for those you'd like to attend.
