EMSC State Partnership Program

Pediatric Respiratory Emergencies

Thursday, November 14 from 1 – 2 p.m.

[Register HERE](#) or by scanning the QR code below

Join Ohio EMSC as we discuss management of common pediatric respiratory emergencies in the prehospital and ED environment. The lecture will be followed by time for questions about pediatric respiratory emergencies and general pediatric readiness questions.

Dr. Anne Runkle
Ohio EMSC Associate Director

Speaker Objectives:

1. Differentiate between respiratory distress and respiratory failure using the pediatric assessment triangle.
2. Discuss best practices for pediatric respiratory interventions including suctioning, administering nebulized medications, and delivering oxygen via high-flow nasal cannula
3. Discuss best practices for stabilizing the critically ill pediatric patient in respiratory failure.
4. Locate publicly available ED pathways for common respiratory illnesses including bronchiolitis, croup, and pneumonia.
5. Discuss any pediatric respiratory or pediatric readiness questions

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Nationwide Children's hospital is jointly accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for the healthcare team. (0.75 ANCC contact hour(s))
