

Quarterly Triage Day

2000 hours June 13 - 2000 hours June 14, 2025

"Alone we can do so little; together we can do so much."

RADIOS

- ✓ Use MCI Talk Groups for the entire **24-hour-period**
- ✓ Ensure you know which channel to use to access the MCI Talk Group

EMS

- ✓ Make brief MCI-Style reports over MCI Talk Group channels
- ✓ Repeat name of the ED you are calling
- ✓ Complete a GREEN treatment tag for EVERY patient

Emergency Departments

- ✓ Monitor MCI Talk Groups for the entire **24-hour-period**
- ✓ Listen carefully for your ED to be called
- ✓ Update triage capabilities in *Juvara* and enter each patient with tag into EMTrack

TRIAGE RIBBON & TREATMENT TAG ON EVERY PATIENT FOR 24 HOURS

Scan the QR code for quick access to SHORT QTD Just In Time Training Recordings
