

QUARTERLY TRIAGE DAY

2000 HOURS 08/06/26 - 2000 HOURS 08/07/26

TRIAGE RIBBON &
TREATMENT TAG ON
EVERY PATIENT FOR
24 HOURS

RADIOS

- ✓ Use MCI Talk Groups for the entire 24-hour-period
- ✓ Ensure you know which channel to use to access the MCI Talk Group

EMS

- ✓ Make a brief MCI-Style report over MCI Talk Group channels for EVERY PATIENT
- ✓ Repeat name of the ED you are calling
- ✓ Complete a **GREEN treatment tag** for EVERY PATIENT

EMERGENCY DEPARTMENTS

- ✓ Monitor MCI Talk Groups for the entire 24-hour-period
- ✓ Listen carefully for your ED to be called
- ✓ Respond to MCI Talk Group with your ED name
- ✓ Update triage capabilities in Juvare EMResource and enter each patient into EMTrack
