

*The Washington Township Fire Department and CFAI invite you to attend the following workshop:*

## *Quality Improvement Through Accreditation*

September 19 -21, 2017

### You will learn:

- The steps involved in the self-assessment process, from building a team to becoming an accredited agency
- The six building blocks of the accreditation process:
  - Community risk assessment
  - Goals and objectives
  - Standards of cover
  - Benchmark and baseline standards
  - Strategic planning
  - Self-assessment
- Learn all about the new *Interpretation Guide*
- Develop a Standards of Response Coverage report using the 6th edition SOC manual.

### Benefits of Accreditation:

- Raises the profile of the agency within the community
- Establishes agency-wide culture of continuous improvement
- Communicates management and leadership philosophies
- Provides a designated framework for across-the-board improvement processes
- Offers independent verification and validation of agency's operations
- Builds positive relationships with labor
- Provides tangible data and information for elected officials
- Emphasizes agency's dedication to excellence to its public stakeholders
