

# Auglaize County on the Road

**When:** Saturday, February 3, 2018

**Where:** New Bremen HS 901 E. Monroe, New Bremen OH 45869

- 8:30 to 8:50     **Registration/Breakfast**
- 8:50 to 9:00     **Welcome and Introductions**
- 9:00 to 10:00     **Address the Stress:** Lecture discussing PTSD, including the long-term effects for first responders in the community.  
Lori Wenning, BSN, RN, NRP, CFRN
- 10:10 to 11:00     **The Evolution of the Community MCI:** Lecture discussing the evolution of Mass Casualty Incidents with a focus on the trends of the MCI in small community and its implications.  
Mandy Via, BSN, RN, NRP, CEN
- 11:10 to 12:10     **EMS Rants and Raves:** Lecture and discussion about the challenges to modern-day EMS providers. Discuss specific EMS and (pre-)hospital life- altering interventions, including case reviews.  
Andrew C. Hawk, M.D., F.A.C.E.P, Medical Director at CareFlight
- 12:10 to 1:00     **Lunch**  
Visit CareFlight Aircraft and Mobile Intensive Care Unit
- 1:00 to 3:00     **Break Out Sessions** (groups will rotate)
- 1:00 to 2:00     **Stuck in the MCI:** A hands on approach to handling treatment of critical patients with the only resources available. This simulation will allow the provider to rapidly triage and treat with a debrief afterwards.
- 2:00 to 3:00     **Equipment..... Outside the Box:** Identification of equipment to be utilized for everyday transports. Hands on stations will allow the provider time to get to know different equipment and how to utilize them in different scenarios. Tourniquets, pelvic binder, IO's and other approaches to managing patients.
- 3:00 to 3:15     **Wrap Up and Evaluations**

*Aviation services provided by Air Methods Corporation.*
