

2nd Annual EMS Symposium at the *Trauma and Critical Care Update 2018*

Friday, May 18, 2018 • 7 a.m. to 5 p.m.

Conference Description

Premier Health will hold the 2nd Annual EMS Symposium at Trauma and Critical Care Update 2018. The EMS Symposium is designed to provide content for prehospital and hospital emergency providers of all levels. The Trauma and Critical Care Update is designed to provide current information on the challenges health care professionals encounter when caring for the multiply injured patient and the critically ill patient. EMS may choose to attend sessions from both events.

EMS Symposium Topics:

- A Different Perspective: Improvements in Cardiac Arrest Outcomes in Rialto, CA
- Leading Innovation in EMS
- Practice Makes Prepared: View from the Pulse Night Club First Responders
- Trending Topics in EMS
- "Address the Stress"
- Update on Street Drug Trends
- "It's not if, but when..." Active Threat with BCON Instructor Certification
- Physician Scene Response Another Resource in the toolbox
