

EMS Symposium

Save the Date!

Mark your calendars to join us for an EMS symposium on **Friday, November 9.**

Children who arrive to the emergency department by squad commonly have a chief complaint related to mental health or abuse. Unfortunately, the incidence of these chief complaints rises throughout the holiday season.

Learn more about these difficult diagnoses and the care they require from the experts.

4 CEUs, No cost with lunch provided

Speakers:

- Dr. Kelly Liker, Director of Child Advocacy
- Dr. Greg Ramey, Director of Pediatric Mental Health
- April Denlinger RN, PSANE and Community Nurse Liaison
- Additional speaker to be determined
